INTRODUCTION

If you're using a MakerBot 5th Gen printer and are slicing with Slic3r, please follow these steps to import our slicing profile.

Step 1 — Import Slicing Profile

- Download the following file.

- Launch Slic3r and close the Configuration Assistant.

- Choose *File > Load Config Bundle…* and select the downloaded file.

- Quit and relaunch Slic3r.

- In the sidebar, under **Printer**, select your printer model.

If you have any questions, please contact us at support@mosaicmfg.com.
